CLASS HISTORY

September 6, 1937 eleven years ago, many small tots climbed the steps of the Ganado Public School to begin one hard struggle with Mrs. Lambert as our teacher. That group of small, scared tots consisted of: Evelyn Cernota, J. D. Ashley, Jack Boepple, Anton Bures, Fred Jaap, Frances Padilla, Georgia Surovec, Josephine Matus, Rita Liberda, Lorraine Mae Pheffer, Arnita Koudelka, LeRoy Liberda, Leon Srubar, Lyn Pape, Elbert Farris, and Dolores Novosad.

In our second year, which was taught by Mrs. Jordon, we were happy to have added to our class Lorraine Scheel and Mary Ann Webel. That year many of us were in the rhythm band, and some took part in the various programs that were held.

Our third year, taught by Mrs. Head, was a year in which we learned many new things. That year we had to rack our brains trying to figure out how 9 X 9 could be 81. As the days rolled by, we finally solved the problem. We were glad to have one more new member to join us; he was Raymond Tristan.

The fourth year was a jolly year because the teacher thought we were smart enough so she taught us how to dance. Miss Ross was our teacher that year. Again we had some new students to join us - Elsie Olsovsky, Bennie Olsovsky, and Roland Liberda.

Lest we forget, the fifht year was the most exciting because we skipped it and became sixth graders. Our sixth grade teacher was Miss Daisy Janica, now Mrs. Jim Strauss. That year we were joined by a cute blond, Lonie Fleeman.

Our first year of Spanish was taught us in the seventh grade by Mrs. Woodrow Brown. We had four new students join us - Elsie Dusek, Lillie Mae Englemohr, Betty Jean Meloy and Marvin Morrow.

Our next year of school we thought we were grown up because we moved from grade school to high school. That year the new students kept pouring in, and before we knew it, they were putting double seats in the room. The grade book of Mrs. Walch, our teacher that year, showed the grand number of sixty-one students. Some of those new students were Evelyn Janssen, Christine Nixon, Elizabeth Kaspar, Homer McLean, Wanda Dulaney, Annie Huseman and Lonie Fleeman, who after leaving us for a year, came back. We were all looking forward to a large graduation exercise but were disappointed to find we would not have one.

At last we had become "fish" with Mrs. Winstead as our sponsor. The initiation and the change in our routine made the year exciting. The extra "fish" to join us that year were Lucille Roehl, B.W. Hicks, John Wesely Hicks, Elroy Wiese, Vaughn Williams, and Elbert Farris, who joined us after leaving us for several years.

CLASS PROPHECY

We were disappointed not to be able to initiate the Freshmen when we became Sophomores. That year Mr. Varnell, our sponsor, entertained us with an ice cream party at the Navidad Park. Buddy Oliver was our only new student.

The eleventh year of school was spent making money for the Junior-Senior Banquet. After a lot of discussion we decided to sponsor a cake walk. Under the direction of Mr. Cheek, our sponsor, the Junior-Senior Banquet was a great success. The cafeteria was decorated as a flower garden. In the latter part of April, we ordered our senior rings. Mildred Vonderau and Robert Willoughby were the two new faces added to our class.

Now as we enter the twelfth year we think of all the wonderful times we have had and regret having to leave them behind. On September 22, we were proudly showing off our new rings. We sold soda water and sandwiches at the football games and at the basketball tournament that was held on January 10.

CLASS PROPHECY

Lonnie Mae Fleeman, we are told, is a mathematics teacher in some high school. Can't you just see her trying to make some hard-headed child understand that 4 sq. y sq. cannot be factored?

Rita Mae Liberda is living on the outskirts of Sugar Land, Texas and will be for quite some time. She was finally caught killing fleas and stuffing ticks.

Georgia Surovec and Dolores Novosad will not be plotting and planning to go to a dance but how to keep their daughters from going.

Homer McLean, a successful business man, will overlook the mistakes of his titan-haired stenographer, Arnita Koudelka, but will seek every false step made by his assistant manager, Jack Boepple.

Roland Liberda, a prominent citizen and merchant, will in a polite way explain the merit of some cotton material to a grandmother which she believes to be silk or try to fit a young lady with a number two shoe when she should wear size six.

Wanda Dulany's natural talent is her voice. It will not be many years before a new star will rise in the Grand Ole Opera.

As we travel down the road of time we learn that Frances Padilla and Raymond Tristan were happily married a few years back. They own a little Mesa shop.

Elroy Wiese is a public surveyor and has been seeing quite a bit of Evelyn Cernota, now majoring in domestic art and science in a girl's college. Why they were barely on speaking terms was back in 1948.

Bachelor Elbert Farris owns a rattle snake farm. He has a small cafe and specializes in rattle snake sandwiches.

Well, if it isn't J. D. Ashley, still wearing his cowboy hat and that little fellow beside him with the matching hat sure looks a lot like him. Who would have thought way back in '48 that Lillie Mae Englemohr and J. D. would settle down on his big ranch.

Speaking of movies we understand that Lola Lazula, originally Lucille Roehl, is thinking of giving up her career and marrying.

Josephine Matus is now modeling as Venus for Marvin Morrow, that successful young artist who is certainly coming up in the world.

Robert Willoughby, the mayor of White Hall City, was telling us about him trying to get street lights for the city but has not succeeded so far.

Lyn Pape, still shy and serious as ever, has finally settled down with his sweet wife Elsie Dusek and their two sets of twins. Elsie started out to be a secretary until she met Lyn and decided to settle down with him.

CLASS PROPHECY

Lorraine Mae Pfeffer will be a concert pianist famous not only on the concert stage of the U. S. but all over the world her playing is known and admired.

Vaughn Williams, so we are told, has been playing professional football in the East but has now retired to a small ranch. Lorraine Scheel, his special cook and housekeeper, and Annie Huseman, his private secretary, say that he goes to the theater every night just to buy a ticket from that cute cashier Evelyn Janssen.

Word comes that LeRoy Liberda entered the Priesthood and is serving as a missionary in China.

Anton Bures, local owner of the gin says that Benny Olsovsky, a prosperous cotton farmer, made the first bale this year. Also, that Leon Srubar, local cotton buyer, is going to build a recreation hall for the teen-agers.

Elizabeth Kaspar who couldn't even make a table rise way back in '48 is now the only woman world-famous magician.

Further along Buddy Oliver, announcer for KVIC, is advertising the wonders of television.

Fred Jaap, who loved dancing while he was in high school, is now a partner of a dancing team touring the country.

"Feet", Ralph Bufkin, who is still loafing around in Ganado, but all the girls have become wise to that line he hands them.

Irene Mikusek has taken over the Gregurek Orchestra and is now conducting it.

Elsie Olsovsky has recently been employed at the local telephone office as chief switchboard operator.

Football Summary (CONT.)

Under the very capable coaching of head Coach Tom Tally and the line coaching of Jim Little, the Ganado Indians came out second in the district after being wrecked in the first of the season. The team was one of the greatest teams Ganado has ever had.

Two Indians earned All-District honors. They were Marvin Morrow, left guard; Vaughn Williams, fullback.

Co-Captains for 1947 were: Marvin Morrow and B. W. Hicks.

There will be 8 lettermen back next year. There will be 4 backs, 2 tackles and 2 center backs.

We suffered a blow in the second game of the season when Joe Williams got his leg broke and was put out for the remainder of the season. We are hopeful that he will be back on the main line at center.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
